

Focus Fast Track: Zero Trust

Welcome to Focus Group's Fast Track service for Cloudflare One.

As a Cloudflare Zero Trust Authorised Service Delivery Partner (ASDP), we are among a select few partners that have the skills and knowledge to help you get the most out of your new solution. We have developed a seamless integration journey, delivered by dedicated Project, Engineering and Account Managers to ensure an exceptional customer experience throughout the lifetime of your solution.

Our managed implementation service includes:

- Focus Group PM assigned
- Scope of Works
- Project plan tracked via Monday.com
- RAID logs & tracking
- Weekly project calls

Assumptions & caveats

- Customer to appoint PM and technical resource
- Customer to administer IDP, Device Management tooling (eg Intune)
- Further phases of rollout out of scope
- Additional functionality may require further PS
 subject to scoping
